Five Message Center terminals will be placed throughout the Convention Center including inside the exhibit hall, near the registration center, and outside various scientific session meeting rooms.

ELECTRONIC POSTER VIEWING AREAS \$500

All presenters of oral presentations given during Scientific Sessions will be asked to supply the AAPM with an electronic poster of their presentation. Three Electronic Poster viewing areas will be in the Exhibit Hall.

There will be 4 computer terminals set in each viewing lounge along with seating so the attendees can view the electronic posters.

A sign indicating your sponsorship will be located in each viewing area.
