

Radimetrics™ Users Get Connected

Experience, Learn, Collaborate and Share Best Practices

Radimetrics™ User Group Meeting

Sunday July 31st 6:00pm-9:00pm at the
Walter E. Washington Convention Center

- **What's new?** Learn about new features like advanced alert trending using our Statistical Process Control charts
- **What are others doing?** Understand how a fellow physicist is using Radimetrics™ to support quality initiatives
- **We'd like your feedback.** Share what's working well and what you'd like to see
- **Ask an expert.** Speak to our Bayer Consulting Services team member
